Facials and Chemical Peels

Nature makes them, we use them to stimulate cell turnover. These naturally occurring compounds are very effective in stimulating cell turnover, improving both texture and skin tone.

Express Facial \$50

30- minute invigorating treatment focusing on exfoliation, extractions, and overall skin balance.

Customized Signature Facial \$70

This treatment includes deep-cleansing, exfoliation, steaming, extraction and a mask.

Anti-Oxidant Exfoliation \$99

This treatment exfoliates with enzymes derived from fruit. The results? Better hydration, pigment correction, and a more rejuvenated skin appearance.

- Add Dermaplaning \$35

Dermaplaning Treatment \$99

This treatment removes superficial dead skin cells as well as the vellus hair. After exfoliation, enjoy a skin type appropriate mask to soothe and re-hydrate the skin.

Microdermabrasion \$110

Reverse the signs of aging by minimizing fine lines and retexturing the skin. Treatment includes steam, masking and finishing products.

Chemical Peels \$150

Targeting specific skin type, peels help to correct pigment issues, fine lines and wrinkles. Improve skin texture while promoting healthy skin cells.

- Add an Anti-oxidant Booster \$15

Latisse

3ml Bottle \$129

5ml Bottle \$179
